

I shall eat pudding and dream of you

I would like you to read this book!

It will only take you forty-five minutes!

This fact is scientifically tested!

In the meantime, here are some misleading extracts!

•

This is why I take so long to do anything constructive.

—

Ignoring the banging coming from next door, I wrote something else.

—

‘EXPERTS AGREE THAT JELLY CAN BE BAD.’

—

They are very friendly but one has to be careful not to step on them.

—

‘Hello,’ you return. ‘You can look at comets any time you like. Come down here.’

—

‘At last!’ exclaims one egg, slightly larger and browner than the rest. ‘The senseless death of our brother egg has been avenged!’

—

‘Oh, tardigrades, please won’t you stay? I’ll water the mossy spots more assiduously from now on I promise!’

•

Excitement! Adventure! Really wild things!

Read

I shall eat pudding and dream of you

or I will be very sad!

Available from... well, I haven’t actually decided yet. But it will be available from places. When I get round to it.
